WASTE ELECTRICAL & ELECTRICAL EQUIPMENT INFORMATION

APPLICABLE IN THE EUROPEAN UNION AND OTHER EUROPEAN COUNTRIES WITH SEPARATE COLLECTION SYSTEMS. This mark on the product or accompanying documents means that it should not be mixed with general household waste. For proper treatment, recovery and recycling, please take this product to designated collection points where it will be accepted free of charge. Alternatively, in some countries you may be able to return your products to your local retailer upon purchase of an equivalent new product. Disposing of this product correctly will help save valuable resources and prevent any potential negative effects on human health and the environment, which could otherwise arise from inappropriate waste handling. Household users should contact either the retailer where they purchased this product, or their local government office, for details of where and how they can take this item for environmentally safe recycling. Business users should contact their supplier for further information. If you do so, you will ensure that your disposed product undergoes the necessary treatment, recovery and recycling, thereby preventing negative potential effects on the environment and human health.

DECLARATION OF CONFORMITY

STATEMENT OF COMPLIANCE WITH EU DIRECTIVE. Holey, Guangzhou Chicken Run Network Technology Co., Ltd. declares that this GameSir G7 HE Controller is in compliance with Directive 2014/53/EU & 2011/65/EU and its amendment (EU) 2019/863.
